About Hip Shing Hong

Established in 1948, Hip Shing Hong's rich history intertwines with Hong Kong's growth, nurturing families and businesses. Committed to fostering a thriving environment, we aim to pass on a better life to the next generation.

As one of Hong Kong's reputable private real estate developers, Hip Shing Hong crafts homes that inspire belonging, offices that fulfil dreams, and accommodations that provide unforgettable experiences. With over 70 years of navigating in the real estate market, we adapt to the time, collaborating for sustainable development in a diverse, inclusive community.

Our Places

Building from the past, creating for the future

We believe that property development is more than just developing space - it embodies the true essence of creating happiness and realising dreams for a brighter future. In pursuit of this vision, we consistently go a step further, partnering with you to foster mutual grow.

Our properties are located throughout Hong Kong and Kowloon, covering residential, industrial and commercial property projects, hotels and serviced apartments, as well as the asset management of numerous high-end residential, commercial and industrial units and over 200 retail outlets.

Achieve goals in the most ideal office spaces

Beyond creating spaces, we are collaborative partners dedicated to propelling your career and business to new heights. Adapting to evolving landscapes, Hip Shing Hong offers a diverse property portfolio, including commercial and factory buildings, retail outlets and versatile venues. With over 1 million square feet of rental space strategically-located in prime business districts, we collaborate closely with companies, providing excellence in workspace solutions.

Our dedication to craftsmanship and excellence originates from our love of life. Embracing the present and anticipating tomorrow define true happiness. Together, we believe in forging a path towards a brighter future.

Hip Shing Hong will work together with you to embrace growth.
